PERSONAL PROJECTS

Shopping Cart
- This is a simple & responsive shopping cart web site.
- Here you will see list of products with beautiful design.
- You can add products or remove them from the cart, just like in amazon. Project Link

Random Image Generator
- Random Image Generator is a website where you'll see so many random images.
- All the images are in HQ & if you like any image, you can download it too.
- Site layout and design is quite simple and responsive. Project Link

Weather App
- As from its name Weather App tells you the weather of any city that you want to know.
- Very simple design for the user to interact with some smooth animations.
- Precise weather information of every hour.
